Sir,

We have the honor to request that the Government will be pleased under Chapter XII, of the Mysore Civil Account Code, Volume I, Revised Edition and Chapter VII of the Mysore Securities Manual, to permit the Comptroller to take over custody of the securities, fixed deposits and cash belonging to the Gunamba Maternity and Child Welfare Trust and to hold the same for the purposes of the Trust and assist the members of the same in reinvesting the money as may be agreed upon.

The sums in question are the following:-

(i) Endowment of Rs.1,20,000, 6½% Mysore Government Paper 1941-51

(ii) Fixed deposit with the Bank of Mysore Ltd. Mysore Branch of Rs.10,000 maturing in May 1929, and

(iii) Cash deposit as an endowment by Sahukar Chatnahalli Makkajappa Rs.500.

It appears to the Members of the Trust that it would be more regular and satisfactory to have the whole of this money deposited with the Comptroller than to have the securities held in the name of the Huzur Secretary, the fixed deposit in the Bank and the Rs.500 invested in some other way.

A further advantage which the Trust see from the action proposed is that they would secure the expert advice of the

GUNAMBA MATERNITY & CHILD WELFARE TRUST

=====

The Trust was established in the year 1924 and derives the bulk of its funds from the interest on a sum of Rs. 1,20,000 bequesthed by the late Rajasevadhurina Sirdar M. Kantaraj Urs, K.C.I.E., C.S.I., Dewan of Mysore, after whose mother it is named.

It is administered by a Committee of which the President is Sir Charles Todhunter, K.C.S.I., Private Secretary to H.H. the Maharaja of Mysore, while the members include the Lady Doctors in charge of the two Maternity Hospitals in the City, the Durbar Surgeon, the President and Vice-President of th the Municipality, the Health Officer and some representatives of the public. The members of the Trust are assisted by a Committee of ladies who take it in turn to visit the Trust centres, the Hospitals and other health institutions, and while helping in the administration of the centres, also distribute clothes and other comforts to those attending them. The Trust also interests itself in three other centres where child welfare work is done, one under the management of the Civic and Social Progress Association, one under the Wesleyan Mission and the other under the Mahila Seva Samaj. Their hope is in course of time to see a sufficient number of these institutions spread over the different quarters of the city for one to be within easy reach of every mother.

Two Maternity Child Welfare centres were opened by the Trust in 1924 and a third was added in April 1928 and equipped with the aid of the contribution of Rs.500/- given by the Lady Chelmsford League. At these Homes fortnightl antenetal clinics are held by the Lady Doctors and an average of 94 children are fed and bathed daily. In addition visiting nurses are maintained to visit pregnent women in their homes.

In the earlier stages a Lady Health Visitor was maintained for the control of the Homes, but she left the

(6)

service of the Trust, which has since been unable to obtain any one to fill her place. The Trust now propose to employ a Lady Doctor as Health Visitor on a higher salary, half of which will be paid by the local Municipality.

The Lady Doctors who lend their services for the clinics are fully qualified, being the Medical Officers in charge of the Vani Vilas Hospital and the Wesleyan Mission Hospital, respectively. Of the six nurses employed by the Trust all have been trained in midwifery and one has been trained also in compounding and one in sick-nursing.

The following are the figures of the year 1927.28:-

1. Attendance of children:-

Morning	...	23,841
Evening	...	23,878

2. B a t h sLM

Ordinary	...	12,180

3. Vaccination:-

55 children were vaccinated

4. 813 children were treated for minor ailments

260 pregnent women were attended at ante-netal clinics.

and 492 visited in their homes.
